

Homework Year 6

Thursday 14th May 2026

Dear Parents,

Please ensure that your child completes the homework set every week and returns it to school on a **Tuesday**.

Year 6 have worked extremely hard this week on their SATs and are all very tired, so the main homework is to get fresh air, exercise and rest this weekend. I will not be setting any maths or English this weekend but next week is International Week so below is a range of suggested tasks. This is due in on **Tuesday 19th May**.

International Week

During this week each year, we celebrate all the different nations of our school with each class choosing a country to learn more about. After collating all the different countries represented in our class, Year 6 voted to have St Lucia as our class country. Here are a few suggestions of what you might do for your homework:

- A detailed factfile about the country of St Lucia
- A map of the country with lots of information on; this could be similar to a fact file, with illustrations and information or you may wish to do it as a tourist information map with lots of ideas of where to visit
- History – find out what you can about the history of the country including leaders, politics etc
- Geography – find out about the terrain, the climate and present the information as a leaflet or factfile
- Music/art – investigate the musicians and artists of St Lucia

Reminders: PE this term is on a **Thursday** (indoor) and a **Friday** (outdoor). PE kit (including trainers) should be in school at all times.

Thank you for your continued support.

Mrs Skelton & Mrs Puntrello
