YEAR 2 96.7%

Loving God, thank you for bringing us through the storms of last year. We thank you for the hope you offer us as we face the days ahead. We trust in your love and mercy to carry us through. Help us to see and pursue the opportunities you have placed in front of us in the new school year

Amen

Dear Parents,

I hope you have had a wonderful holiday. It is always a time of togetherness and hopefully happiness and fun. While I know that 6 weeks is a long time, it is the memories we create that last a lot longer.

This term is an exciting one filled with many opportunities and events for our children and families. We welcome a community at St Joseph's as we cannot work alone. Parents are welcome to join us for all celebrations, assemblies, masses and events. We really do encourage this not only to support your children but to be a part of our school. Please continue to read our weekly newsletter for updates. If you want to offer support in anyway, including reading etc please contact the office.

Have a lovely weekend Mrs Moseley

Attendance & Lates

There will be a greater focus on attendance and lates this year. We always pride ourselves in outstanding attendance but since Covid we are seeing many families taking holidays out of term time, long weekends and prolonged sickness. This effects children's progress and can cause increased anxiety as they are missing out. While I understand at times there are extenuating circumstances, I know that you want the very best for your children and will continue to support excellent attendance and punctuality. Gates will close promptly at 8.50am, children are late at that time. It causes great frustrations for parents signing children in so I know this will also be of paramount importance to you.

Beginning of year mass

We know that we have properly started our new school year when we have had the first Mass of the term. We will be holding our first Mass of the term on Thursday 11th September. It would be lovely to see as many parents as possible to attend this lovely celebration mass.

Meet the teacher

On Monday 14th September we have our KS1 meet the teacher session at 3pm and on Tuesday 15th September we have our KS2 meet the teachers. We hope that all parents are able to attend these session as they are great opportunity to meet the class teacher and learn about your child's curriculum for this year.

Parent Reading

We are seeking enthusiastic parent volunteers to join our reading programme and share the joy of literature with our pupils. As a parent reader, you will have the opportunity to engage with students, fostering their love for reading and improving their literacy skills. We welcome you to participate at a time that suits your schedule. If you are interested in volunteering or would like more information, please do not hesitate to speak to Miss Entwisle or visit the school office. Your involvement can make a significant difference in our children's educational journey. Thank you for your support!

Clubs

All school clubs will commence from Monday 14th September. If your child has a place in a club you will have been informed via Arbor next week.

PTA

Will be holding their AGM in the next few weeks, please look out for information in the next few weeks.

At St. Joseph's we live, love and learn by the example of Jesus.
