

Homework

Year 2

Thursday 22nd October 2026

Please return completed homework on Tuesday.

Reading

Please remember to read with your child daily and support their understanding of the text through comprehension, not just decoding the words.

Please ensure you sign your child's reading record each time you read together and leave a comment. This helps us know when your child is ready to have their reading book changed.

Science

This week, we have been learning about eating a healthy, balanced diet and the different food groups.

Please complete the food diary using the attached sheet, recording what your child eats and drinks throughout the week. The Eatwell Guide is also attached for reference.

The completed food diary will be stuck into your child's science book, so please ensure it is kept safe, neat and tidy.

Spellings

This week's spellings are from our Year 2 Common Exception Word List.

Please choose **four words** and write a sentence using each word.

For example: The boy was very **kind**.

Maths

Please continue to practise your **2, 5 and 10 times tables**. Please see the attached sheet for support.

**Thank you for your continued support.
Have a lovely half-term break and stay safe!**

Miss Perone and Mrs Nicolini

**At St. Joseph's we live, love and learn by the example of Jesus.
Aspiring for excellence for all, together as a catholic community.**
